

Sudocrem nappy rash essentials

Sudocrem Care & Protect

Sudocrem Care & Protect helps to **care** and **protect** your baby's delicate skin from the causes of nappy rash. It's gentle and effective enough to use every day, at each nappy change. And because it's been developed specifically for your baby, **it's hypoallergenic** and the ingredients we've used are all designed to do just one job: **care and protect against nappy rash.**

Prevents

Sudocrem Antiseptic Healing Cream

Treats

Sudocrem Antiseptic Healing Cream is the nation's favourite nappy rash cream. It's licensed to **treat** your baby's nappy rash and is also versatile enough to be used by the whole family on other skin conditions such as **eczema, sun burn, cuts & grazes** and **minor burns.**

Planning a baby shower?

Organise your baby shower with our award winning Baby Shower Facebook app and you could **WIN BIG** in one of our prize draws!
